MERCY SHIPS BRINGS HOPE AND HEALING TO THE WORLD'S FORGOTTEN POOR.

Mercy Ships (Mercyships.org) is an international NPO which deploys the world's two largest civilian hospital ships to some of the poorest countries in the world mostly in Africa, delivering vital, free healthcare to people in desperate need.

Onboard the ships a total of 6000 operations are performed annually across the two ships, while thousands of medical professionals receive extensive training, totalling more than 300,000 hours, with the noble purpose of equipping them to mentor future generations of surgeons and other medical personnel.

By supporting Mercy Ships, you will be directly impacting lives, bringing hope and healthcare to some of the world's most vulnerable communities.

We will be gathering to celebrate compassion, generosity, and the power of hope and healing.
